Subject Remissions of arrears of rohitaria amounting to Rs 139-12-0 in Gudibanda Municipality

Sir,

In forwarding herewith the records received from the President, Minor Municipal Council, Gudibanda with his No MC 27/45-46 dated 26th April 1946, I have the honour to state that the levy of vacant site tax in the Municipality was revised and the revision resulted in the increase of demand of vacant site tax As the tax levied was very heavy the owners relinquished the sites and did not pay the vacant site tax, which accumulated to Rs 743-3-0 The rates levied were subsequently revised and reduced during 1943-44 The demand under this item as noted below gives a clear pictures of the position of this

Year	Total vacant site tax
1936 -37	81-8-0 (difference
As revised during 37-38	296-8-0 (+ 215-0-0
As revised during 43-44	158-12-0

It is reported by the President that there was no basis for this sudden enhancement

After the revision during the year 43-44 the Municipal Council took up the question of recovery of old arrears and promised the owners of the sites to give them the benefit of the difference of rate as levied in 1937-38 and as revised in 1943-44 by writing off the amount and arranged for the recovery of the balance that was due by the defaulters Accordingly some of the defaulters paid up the vacant site taxes and the difference was also remitted in this office as recommended by the Council on 6th February 1946 A copy of this office order is enclosed in the records for ready reference The question of remitting arrears in the case of four persons was deferred as the arrears recommended for remission exceeded Rs 25/- in each case These individual cases have been thoroughly investigated by the Council and they recommend that a sum of Rs 139-12-0 being the excess demand brought on demand as per revision of 1937-38 may be written off as they are outstanding from a long time

It is seen from the records that one of the defaulters Mahamad

Mahamad Yusuf Sab has stated that his vacant site may be restored to the Municipality and the arrears thereon remitted. The Council have decided in their meeting dated 31/10/45 that the site may be resumed and the amount remitted. Proper coercive action has been taken for the recovery of the arrears and the connected process records also accompany. In the circumstances I agree with the opinion of the Council and recommend that the arrears due from the following noted persons amounting to Rs.139-12-0 may be remitted. Sanction of Government may kindly be obtained in the matter as the amount exceeds Rs.75/- in each case.
